

CURRICULUM VITA

Yasser Fathi Ismaiel Elnaker

Personal Information

Birth date and place:	January 2, 1975 at Dakahlia Governorates, Egypt
Sex:	Male
Citizenship:	Egyptian
Main field:	Veterinary Medical science (Infectious diseases)
Present position:	Professor of infectious diseases, and vice dean for education and student affair. Faculty of veterinary medicine, The New Valley University
Work address:	Faculty of Veterinary Medicine, New Valley University
Work phone and fax:	0020922925617 0020922925632
Mobile:	00201025250531
Home phone:	0020922924619
Home Address:	El-Kharga city, New Valley Governorate.

ORCID	0000-0003-1655-0501
Research gate	<u>https://www.researchgate.net/profile/Yasser_Elnaker2</u>
<u>Qualifications:</u>	
2004 – 2007	Ph.D. Infectious Diseases Faculty of Veterinary Medicine, Mansoura University – Egypt

2001 – 2004	M.V.Sc. Infectious Diseases, Faculty of Veterinary Medicine, Tanta University, Kafr-Elsheikh branch – Egypt.
1994 – 1998	B.V.Sc. Faculty of Veterinary Medicine, Zagazig University, Benha branch, Egypt

Employment courriers

July 2000 up to November 2010	Veterinarian in Veterinary Education Hospital at Dept. of Internal Medicine, Infectious and Fish diseases, Faculty of Veterinary Medicine, Mansoura University.
September 2010 up to October 2014	Fellow of Infectious Diseases Veterinary Education Hospital at Dept. of Internal Medicine, Infectious and Fish diseases, Faculty of Veterinary Medicine, Mansoura University.
November 2014 up to September 2015	Lecturer of infectious diseases , Animal medicine department, faculty of veterinary medicine, The New valley University
October 2015 up to 2020	Assistant professor of infectious diseases , Animal medicine department, faculty of veterinary medicine, The New valley University
October 2020 up till now	Professor of Infectious Diseases, Faculty of Veterinary Medicine, New Valley University.

Education History

- **B.V.SC. 1998-** Fac. Vet. Med., Zagazig University, Benha Branch
- **M.V.Sc. 2004-** (Infectious Diseases), “**Epidemiological studies and some methods of control on respiratory disease complex in calves**”. Department of Animal Medicine, Faculty of Veterinary Medicine Tanta University. Kafr- Elsheikh branch
- **Ph.D.V.Sc. 2007-** (Infectious Diseases), “**Some studies on neonatal calf diarrhea**”. Department of Internal Medicine, Infectious and Fish diseases), Faculty of Veterinary Medicine, Mansoura University

Project

- **I have a project funded by Assiut University** under the title "Molecular epidemiological studies on leptospirosis infection in human and animal species in the New Valley Governorate 2018 (September 2018 to September 2019) *code: 2018-aun.v-fV etMed-10*

- I am a membership of the project titled by “**Enhancing Veterinary infectious diseases education and training in Egypt: Internet based, CD-ROM course Resources**”. Introduced to Project Management Unit, Higher education Enhancement Project Fund (HEEFP), Ministry of Higher Education, Egypt and Project duration 12 months Code No. B-087-L0 started from 1/9/2004 to 31/8/2005. (<http://osp.mans.edu.eg/elsawalhy/Inf-Dis/index.htm>)

Community services and cultural development

- I am shared in all field trips in different villages and localities in Dakahlia and Demmitta governorates for diagnosis and treatment of diseased animals for preservation of our animal population and their health status from 2/ 2001 up till September 2014
- I'm shared in all field trips in different villages and localities in New valley governorates from 2/2015 up till now
- I am present all Scientific Conferences, Faculty of Veterinary Medicine, Mansoura university.

Skills

- I am tended Toefl Preparation Course in English for Specific Purposes Research Center in Mansoura University, in 2007 by grade 452/677
- I am obtained ICDL in 2012
- Skill in all computer and internet research and design
- Supervisor on scientific trips for 4th and 5th year student for Cairo and Alexandria 2016, 2017 and 2018
- Passing 18 programs of development of faculty members at the University Development Center at Mansoura University, Assiut university and Damanhor university
 - http://udc.mans.edu.eg/udc_back/arabic/bod.ASP?button=%DA%D1%D6&id=7748
- Workshop on Basic principles of PCR from 27/2/2018 to 1/3/2018 Assiut University.
- Workshop on Isolation of basic cells and modification of cell behavior using CRISPR technology for genetic modification." Held from February 18 to 20 February 2020 at Institute of Molecular Biology Assiut University in cooperation with University of Veterinary Medicine, Vienna, Austria.
- Attending the educational course No. 30 from 29/7/2019 to 3/8/2019 at the Institute for Leadership Development in Helwan (Ministry of Higher Education and Scientific Research) within the delegations of representatives of students of Egyptian public universities.

Committees and associations

- Member of the General Union of Veterinarians of 1999

- Scientific Association of the Institute of Animal Health Research - from 01/01/2014
- Egyptian Veterinary Medical Association - from 1/1/2014
- Society of cattle diseases, Faculty of Veterinary Medicine, Assiut University

Scientific tasks

- Scientific visit abroad - from 1/4/2012 to 31/10/2012 quarry Berber veterinary in Somalia
- Scientific visit abroad - from 1/11/2011 to 31/3/2012 quarry veterinary veterinarian in Somalia
- Scientific visit abroad - from 1/10/2011 to 1/11/2011 Quarry Berber veterinary in Somalia

Supervision of scientific thesis

- Supervising on one Master Thesis at the Faculty of Veterinary Medicine, Assiut University
- Supervising on 10 Master Thesis and one Ph.D. Thesis at the Faculty of Veterinary Medicine, The New Valley University.

Supervision of scientific thesis

- Member of

Conférences and scientific meeting

1. A scientific symposium and a workshop entitled "Administrative Excellence" at the New Valley University on 4-5 / 3/2020
2. Attendance in Review and validation workshop for re-profiling of veterinary profession and Day100 competencies for CVOs– Dakar Senegal 11 – 15 November 2019 arranged by African Union Interafrican Bureau for Animal Resources (AU-IBAR)
3. The 18th Scientific congress of the Faculty of Veterinary Medicine, Assiut University, from 5 to 7 November 2019, Assiut, Egypt (the importance of scientific research and community participation in the livestock development locally and regionally).
4. The organizer of the scientific symposium titled "Rabies disease between reality and hope in the New Valley Governorate" in collaboration with the Institute of Veterinary Serum and Vaccine Research in Abbasia on Sunday, 29/9/2019, Faculty of Veterinary Medicine, New Valley University
5. The 6th International Scientific Conference of the Faculty of Veterinary Medicine - Benha University "Future Prospects for Veterinary Medicine in Sustainable Development" 31 July - 4 August 2018 Sharm El Sheikh - Egypt
6. "Expert Meeting and General Assembly and Launch of the African Association of Veterinary Education Institutions - July 23-27, 2018, Cairo - Egypt
7. The 17th Scientific Conference of the Faculty of Veterinary Medicine, Assiut University, from 6 to 8 December 2016, Assiut, Egypt

8. The Ninth International Scientific Conference of the Faculty of Veterinary Medicine, Suez Canal University, 23-26 November, 2016, Sharm El-Sheikh, Egypt
9. The Fourth Scientific Conference of the World Organization for Animal Health in Veterinary Health entitled "Learning Today, preserving Our Future", held in Bangkok, Thailand, from 22 to 24 June 2016.
10. Conference on Chemistry and Environmental Health at the Institute of Animal Health Research in Dokki from 12 to 16 November 2015
11. Fifth Veterinary Medicine Conference from 12 to 14 May 2014 at the Egyptian International Center for Agriculture in Dokki
12. Conference of Veterinary Medicine in Egypt from 12 to 14 May 2014 at the Egyptian International Center for Agriculture in Dokki
13. The 8th International Scientific Conference of the Faculty of Veterinary Medicine in Egypt - from 06/09/2014 to 09/09/2014
14. The second scientific symposium on avian influenza between settlement and control "in Egypt in Egypt - from 27/4/2008 to 27/4/2008
15. The Fifth International Scientific Conference of the Faculty of Veterinary Medicine, Cairo University, Egypt from 10/4/2007 to 11/4/2007
16. Scientific Symposium on Bird Flu "in Egypt in Egypt - from 30/4/2006 to 30/4/2006
17. The Fourth International Scientific Conference of the Faculty of Veterinary Medicine, Mansoura University, Egypt, Egypt, from 5/4/2005 to 7/4/2005
18. The Third International Scientific Conference of the Faculty of Veterinary Medicine, Mansoura University, Egypt, Egypt, from 29/4/2003 to 30/4/2005
19. The Fourth Scientific Symposium on Veterinary Medicine in Community Service "Poultry Diseases" in Egypt in Egypt - 30/3/2003 to 30/3/2003
20. The Second International Scientific Conference of Faculty of Veterinary Medicine, Mansoura University, Egypt, Egypt, from 2/4/2001 to 4/4/2001

Courses for under-graduate éducation :

1. Participating in the teaching of infectious diseases for fourth- and fifth-year students in the Faculty of Veterinary Medicine, The New Valley University, from 2014 till now
2. Participating in the teaching of practical and applied lessons and training of students on diagnosis and treatment in the field of specialization in the Faculty of Veterinary Medicine, The New Valley University in 2014 and now.
3. participating in the theoretical, practical and oral exams for students of the fourth and fifth groups of infectious diseases, Faculty of Veterinary Medicine, The New Valley University

4. Participating in the oral exams for the fifth-year students at the Faculty of Veterinary Medicine, Mansoura, Assiut and South Valley universities from 2015 to now.
5. Participating in the practical training for students of the fourth and fifth classes in the veterinary hospital of the Faculty of Veterinary Medicine Mansoura University from 2007 to 2014 .

Courses for post graduate students -

Participating in the theoretical, practical and oral exams for post graduate students in Faculty of Veterinary Medicine, The New Valley University.

List of publications

1. **Mohamed S. Daib; Nermin A. Ibrahim; Yasser F. Elnaker; Sherif A. Zidan and Marwa A. Saad (2021):** Molecular detection of staphylococcus aureus enterotoxin genes isolated from mastitic milk and contact humans in El-Behira, Egypt. International Journal of One Health Int. J. One Health, 7(1): 70-77.
2. **Mohamed El-Tholoth, Michael G. Mauk, Yasser F. Elnaker , Samah M. Mosad 1,Amin Tahoun, Mohamed W. El-Sherif, Maha S. Lokman, Rami B. Kassab,Ahmed Abdelsadik, Ayman A. Saleh and Ehab Kotb Elmahallawy (2020):** Molecular Characterization and Developing aPoint-of-Need Molecular Test for Diagnosis of Bovine Papillomavirus (BPV) Type 1 in Cattle from Egypt. Animals 2020, 10, 1929; doi:10.3390/ani10101929
